THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI K. R. NARAYANAN): (a) No, Sir. Most of the rain clouds that occur over Saurashtra and Kutch are due to large ecale atmospheric systems that affect other parts of the country as well.

(b) A total of 4224 million K. Cal of heat is being generated daily from gas flaring in the Ankleshwar and Gandhar fields of ONGC which may be considered as part of the coastal area. From the ONGC's fields in North Gujarat namely, Mehsana and Ahmedabad, a total quantity of 5017 million K. Cal. of heat is being generated daily due to flaring of gas. ONGC have no oil field in the coastal area of Kutch & Saurashtra.

(c) No Sir. Analysis of monsoon rainfall over Saurashtra & Kutch indicates that the falure of monsoon over this region is not an independent phenomenon but is generally associated with the performance of the monsoo^ over several other parts Of the country.

(d) Tn view of (c) above the question does not arise.

**Indians possessing African Citizenship**

1054. SHRI CHIMANBHAI MEHTA: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether it is a fact that thousands of Indians possessing citi zenship of Africa and other coun tries particularly Uganda are deprived of citizenship and are now they living as stateless persons in India; if so, what are the details thereof;

(b) whether Government are contemplating to give citizenship to these stateless Indians, if so, what arc- the details thereo

(c) whether those stateless citizens who came from Uganda and have applied for Indian ctizenship prior to due date of 1986 are eligible to acquire a citizenship; if so, what are the conditions for the same; and

(d) whether the Five years stay in India is also compulsory condition for those who have applied prior to the due date in 1986?

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI K. NATWAR SINGH); (a) Thousands of non-citizens of Indian origin were expelled by Idi Amin in 1972. Besides a number of Ugandan citizens oi Indian origin were deprived of their pitizenship and rendered stateless Most of these stateless persons were accepted for entry by a number of countries in Western Europe. Some of the stateless persons also came to lndia.

(b) to (d) Persons of Indian origin who came from Uganda are eligible for grant of Indian citizenship by registration under Section 5(1)(a) of the Citizenship Act provided they fulfil the statutory requirements. The Citizenship Act, 1955 was recently amended and the amended provisions came into force with effect from 1st July. 1987.

Those applicants whose requests for the grant of Indian citizenship which have not been considered upto 30th June, 1987 are governed by the new provisions of the Act.
